

REMARKS

Claims 1-5 and 8-11 are in the application.

With respect to the rejection of claim 5 under 35 U.S.C. 112, second paragraph, applicant respectfully submits that the passage cited by the Examiner is correct. The Examiner will note that claim 5 recites the plural form of the word "axis" and, therefore, the phrase "the first pivot axes are arranged..." is correct.

The Examiner will further note that the subject matter of claims 6 and 7 has been included in claim 1.

The dependent claims 8 and 9 have been amended accordingly.

Accordingly, in view of the Examiner's indication that claim 7 would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims, it is respectfully submitted that claim 1, and the claims depending therefrom, are now in condition for allowance.

The attention of the Examiner is hereby directed to an Information Disclosure Statement which is being filed concurrently herewith.

Therefore, in view of the foregoing, it is submitted that this application is now in condition for allowance and such allowance is respectfully solicited.

Any additional fees or charges required at this time in connection with the application may be charged to Patent and Trademark Office Deposit Account No. 11-1835.

Respectfully submitted,

FRIEDRICH KUEFFNER
